

MAKOSHARK™

THE ALL-IN-ONE POOL CLEANER

Relentless in the pursuit of dirt and debris

The MakoShark™ pool cleaner shares many of the design features of the most popular automatic suction side vacuum in history.

Then we added performance features to make MakoShark relentless in its pursuit of dirt and debris, while keeping it affordable and sensationally dependable.

MakoShark features a new, patented silent flapper design. This sole operational moving part creates the kinetic energy that powers MakoShark around your pool. Elegantly simple and highly reliable, this dependable design has been proven in more than 2 million pools worldwide.

Specially designed slots and curved "fingers" climb over obstructions so MakoShark keeps performing - unattended and without interruption.

MAKOSHARK™

THE ALL-IN-ONE POOL CLEANER

Connects to your skimmer or vacuum line fitting in minutes without tools.

Built-in bumper ensures freedom of movement around steps, ladders and other obstacles.

Patented seal design with slots and curved "fingers" navigate over and around pool obstacles for total coverage and uninterrupted performance.

Supremely simple and ultimately reliable

The MakoShark™ pool cleaner is the ultimate in carefree operation. It comes fully assembled. Just add the seal and connect the hoses. No tools required and you're on cruise control in minutes. It even comes with a free flow gauge and adjustable speed control to ensure optimum performance. Also consider these other hands-free and reliability features:

- No bags or compartments to empty or replace, dirt and debris go right to your filtration equipment, where they belong.
- No wheels or gears to jam or diaphragms to replace
- No expensive booster pump to buy and operate...it uses your pool's existing filtration system.
- Only one operational moving part.
- All parts are UV stable and chemical resistant for years of dependable service.
- Sleek, compact design increases maneuverability for best cleaning performance.
- Backed by the largest pool equipment company in the world.
- Three-year limited warranty. See warranty for details.

Flapper – the only moving part in MakoShark's simple and dependable propulsion system.
